Fees, Charges & Interest Schedule

APPLIES TO: OPERATING LEASES

	Vehicle Delivery Fee	\$60
	We may charge a nominal fee when delivering a customer vehicle, to cover costs related to procuring and managing the delivery of the vehicle to the driver.	
	Lease Establishment Fee	\$199
	Administration and documentation fee to establish, process and fund a new lease contract.	
	Dishonoured Payment Fee	\$50
	Fee is charged to the lease account in the event of a payment tendered to the account is dishonoured by the Debtor's bank.	
	Repossession Warning Notice	\$75
	Fee is charged to a lease account when a Repossession Warning Notice is issued. This is generally 7 days after a breach of terms (e.g. overdue installments).	
	Repossession Fee	\$175
	Fee or actual cost for activities associated with repossession, e.g. searching, locating and uplifting the assets.	
	Contract Assignment Fee	\$199
	If a contract is assigned or novated to another party, a contract assignment fee is charged to cover administration costs.	
	Lease Variation Fee	\$199
	Should your lease need to be varied, we'll charge a variation fee to cover documentation and funding costs associated with this variation.	
	Overdue Interest	2% per month
	If you fail to pay any amount to us when it falls due, we may charge you interest at the overdue interest rate on a daily basis. This is computed from the date that amount became due until the date it is actually paid. A fee may also be payable to compensate us for a reasonable estimate of any loss incurred by us in the event of your default.	
	RUC Label Fee	\$15
	For products which include RUC label management, this fee is applied to each label purchased to cover administration time, stationery and courier / postage charges.	
	Registration Label Fee	\$15
	For products which include Rego label management, this fee is applied to each label purchased to cover administration time, stationery and courier / postage charges.	
	Toll Charges	\$0.60
	Tolls are automatically aggregated by Yoogo Fleet and this nominal charge is added to each toll to cover the administration thereof.	
	Energy Charges	\$1.50
	Energy charges are automatically aggregated by Yoogo Fleet and this nominal charge is added to each charging session to cover the administration thereof.
